

COVID-19 Corona virus: Important information for our customers

The effects of the corona virus (COVID-19) are currently a particularly challenging situation for the entire exhibitions and event industry. In view of the latest developments, the Austrian Federal Government presented a package of measures on March 10, 2020, which also includes the ban on events. All outdoor events with over 500 participants and all indoor events with over 100 participants are prohibited until early April 2020.

This decree also affects the events of Reed Exhibitions Austria. We are therefore postponing the following shows:

- Lebenslust new date 4th to 7th November 2020 (instead of 11th to 14th March)
- Wohnen & Interieur new date in autumn 2020 (instead of 18th to 22nd March)
- WIM – Wiener Immobilien Messe new date in autumn 2020 (instead of 21st to 22nd March)
- Intertool new date in autumn (instead of 12th to 15th May)
- Smart Automation Austria new date 18th to 20th May, 2021 (instead of 12th to 14th May 2020)

We respect the decision of the federal government and are sure that it was the right one to protect everyone. Our top priority is now to support our customers. We have therefore set up a hotline for inquiries. You can reach them at (+43) 1 72720 2020.

Thank you for your understanding.
